

PRO ARMOR

Polaris RZR Fabric Roof

ITEM	DESCRIPTION	QTY
1	FABRIC ROOF	1
2	FRONT STRAP	2

INSTALLATION

1. Position the fabric roof over the vehicle's roll cage so that it is centered and even.
2. Loop each of the fabric roofs front velcro straps through (1) item # 2 at its center attachment buckle as shown in fig 1.
3. Wrap the front strap mounts around front A-Pillars of the roll cage with the rubber contacting the roll cage tube.
Loop the strap end through the buckle end and secure the front mounts using the velcro. See Fig. 2 and 3.
4. Wrap the rear the rear straps over the rear tubes of the roll cage and secure using the velcro. See Fig. 4
5. Adjust the strapping and roof placement as needed.
